The screenshot shows the QuestBase website interface. At the top, there is a navigation bar with the QuestBase logo and links for 'prodotto', 'comunità', and 'guida & supporto'. The main content area features a large heading 'Troppe domande?' and a sub-heading 'QuestBase ti regala la libertà di domandare.' Below this, there is a paragraph describing the platform's capabilities. On the right side, there is a 'Accedi' (Login) panel with input fields for 'e-mail' and 'password', a 'dimenticata?' link, a 'resta collegato' checkbox, and an 'Accedi' button. Below the login panel is a 'Cerca questionario' (Search questionnaire) panel with a 'pin o parole chiave' input field and a 'Cerca' button. An arrow points from the text 'INSERIRE IL CODICE:' to the search input field, and another arrow points from the code '7268-6676-4230' to the same field.
